

## Harvey College Textbook Award Program Community Presbyterian Church

The Harvey Scholarship Fund was established in 2000 as a memorial to Winnie and Frank Harvey in recognition of the importance they placed on higher education and their lifetime commitment to Community Presbyterian Church (CPC) of Atlantic Beach, Florida. Even before the organization of CPC, the Harvey's were members of our Community Sunday School, which met in the old town hall of Atlantic Beach. Their Christian dedication was only equaled by their shared opinion of the great importance of higher education, a cherished value they instilled in their own children and grandchildren. Winnie and Frank loved strongly loved one another, their family, and others, just as Our Lord commanded.

The CPC College Book Fund was previously established by the Drummond family and used to reimburse college book expenses. After this fund was depleted in 2010, the Harvey Scholarship Fund assumed responsibility for providing these extremely helpful funds.

Annually the Harvey Scholarship Committee will decide the amount of each book grant, depending on funds available. The maximum amount will be \$400 per student per year for four consecutive years. The **Christian Education Committee** has the responsibility of administering the Harvey College Textbook Award Program.

This program is for members of CPC who are enrolled in an accredited, undergraduate institution of higher education, as normally this would include college, university, trade or technical training. Undergraduate college students of any age may apply for the award for four consecutive years while working on their first degree.

**In all cases, proof of college enrollment (i.e., unofficial college transcript or copy of class registration) for the previous fall or upcoming spring term must be submitted with the application form.**

**Applications must be submitted to the Christian Education Committee during the month of **January** for the current school year. Late applications will not be accepted. Checks will be made payable to the applicant and mailed to an address of the applicant's choosing.**
